

**THE ADULT LEARNING CENTER
OF THE HIRAM HALLE LIBRARY**

presents

**THE MATHEMATICS
USED TO BUILD THE
PYRAMIDS
IN ANCIENT EGYPT
PART II**

Today, mathematics is a worldwide language, but in the ancient world a nation's math was as distinctive as its religion. Come and learn about the math used by the scribes of Ancient Egypt.

**Presented by Dawn Fisher, Ph.D.
Professor of Mathematics Emeritus
James Madison University**

**Friday, November 30 – 10:30 A.M.
Registration required**
